

IMPORTANT INFORMATION

Category	Information
General	<p>In order to receive approval for an Assessment Extension your application must satisfactorily demonstrate that there are exceptional circumstances beyond your control that prevent you from completing the assessment task by the due date.</p> <p>Students who have a Curtin Access Plan (CAP) are still required to submit an application to gain an extension.</p> <p>A separate application form must be completed for each unit if you are applying for multiple assessment extensions.</p>
Application deadline/s	<p>Applications should be submitted PRIOR to your assessment due date/time. Applications may be accepted up to 5 days after the assessment due date/time, if you can provide a verifiable explanation as to why you were not able to submit the application prior, such as an emergency or severe illness.</p> <p>It is recommended to submit your application as soon as possible. Applications may take up to 7 days to process. If you submit your application on or close to your due date and it is then declined, late penalties will applied if your unit accepts late submission of assessments. You will receive an Official Communication message detailing the outcome of your application.</p> <p>The completed application/s must be submitted to the correct school contacts for the unit/s in which you are applying for an Assessment Extension. Details are available in your Unit Outlines.</p>
Assessment of application/s	<p>If your application is approved, you should not make commitments to any other arrangements that may prevent you from completing the assessment task(s):</p> <p>For assignments or other submitted work, an approved Assessment Extension in most cases will only be granted up to a maximum of seven working days after the initial due date/time, unless a CAP or extenuating circumstances warrant a longer delay.</p> <p>For an assessment item with a scheduled date/time for the task (e.g. examination, oral presentation), you will be provided with at least three working days' notice of the new due date/time.</p>
Appeal/s	<p>If your application is declined or where your extension is not for the full duration which you requested you may appeal to the Head of School within 5 working days of being advised of the outcome of your application.</p> <p>The Head of School will assess the appeal and determine if a change in decision is warranted and will inform you of the outcome within three working days from the date of the decision. It is at the discretion of the Head of School whether or not they will accept additional documentation in support of your appeal that was not provided as part of the original assessment extension application. The decision of the Head of School is final and there are no further internal appeal options.</p> <p>Further information about Assessment Extensions can be found in the Assessment and Student Progression: Policy and Procedures.</p>
