Generally, the residence permit of a Schengen country is <u>not automatically valid for studies in another Schengen country</u>, but only for a visit as a tourist for the duration of 90 days. Study visas cannot be obtained at the Foreigners' office here in Aachen but only in the country of residence.</p> <p>But: Due to new EU regulations exchange coordinators from FH Aachen might apply in advance for exceptions to the above mentioned rule if a non-EU student who has a valid student residence permit for another EU country according to the "REST-Rule" (2016/801/EU) is planning to attend our university within the framework of a mobility programme with a <u>maximum duration of 360 days</u> (e.g. ERASMUS+). Please contact your exchange coordinator at FH Aachen in advance in order to enquire if this rule applies to you, so that you might avoid a visa application at a German embassy.</p>
