Established in 1907, the University of Saskatchewan (USask) has a long history of excellence. We are a member of the U15 group of Canada’s top research universities, offering unique facilities such as the Canadian Light Source — Canada’s only synchrotron, VIDO-InterVac — one of the world’s most advanced containment-level-3 facilities, and the Global Institute for Water Security. Our graduates are known for their work ethic, resourceful nature and determination, and will continue to build on our legacy to address the world’s challenges now and in the future.

LANGUAGE INFORMATION

LANGUAGE OF INSTRUCTION
English

LANGUAGE REQUIREMENTS
To be successful at USask, students must be proficient in English—both written and verbal. Although we do not require any official record of English proficiency, the home institution should evaluate students’ English language proficiency prior to nominating them to USask. English language proficiency indicators that we require of our students can be found online at admissions.usask.ca/requirements/english-language-proficiency.php.

LANGUAGE FACILITIES
Language courses are offered through academic departments if students would like to study a language other than English.
At an additional cost to the student, there are also non-credit part-time English language courses offered by the USask Language Centre. These non-credit courses are designed to assist students with their English language skills.
To learn more about English language courses, visit learnenglish.usask.ca.

STUDENT HEALTH AND DENTAL PLANS

ON CAMPUS
USask offers a wide variety of very affordable housing options ranging from dorm-style rooms to fully furnished units.
All rental fees include utilities, Wi-Fi, laundry services, a full or partial meal plan and a variety of residence events, free tutoring and support programs to keep you comfortable and connected in your new home on campus. Students must arrange housing prior to arriving on campus and can apply online at: livewithus.usask.ca

MEAL PLAN
A meal plan is included in the residence fees for all students living in Voyageur Place, but all students have the option to purchase an additional meal plan that can be used at Marquis Culinary Centre, as well as at various food service outlets across campus.

OFF CAMPUS
Housing in Saskatoon is very affordable compared to other Canadian cities and our city has excellent bus service, with routes travelling to campus from throughout the city.
