

**Michigan
Technological
University**

Fact Sheet 2017-2018

At Michigan Technological University, we prepare students to create the future. With more than 130 degree programs in arts, humanities, social sciences, business, economics, computing, engineering, forestry, environmental science, technology, and natural and physical sciences, Michigan Tech enrolls approximately 7,200 undergraduate and graduate students from around the world. Our students gain knowledge through hands-on experiential learning and unique opportunities to solve real-world problems. At Michigan Tech, we value and inspire community engagement, world class scholarship, innovation, accountability, and tenacity.

We are thrilled that you are interested in becoming part of the distinguished Michigan Tech community as an exchange student, and invite you to please contact us if you have any questions or concerns about the application process.

For important dates of future academic years, please visit the Registrar's website:

<http://www.mtu.edu/registrar/students/calendars/academic/>

Application Procedure

If you are interested in applying to Michigan Tech through an exchange agreement, first contact your home institution for instructions. After you complete any necessary procedures through them, we invite you to visit our Exchange Students page for a list of application steps:

<http://www.mtu.edu/international/admissions/apply/exchange/>

On this page you will also find the link to our free online undergraduate exchange application.

Language of Instruction/Required Language Proficiency

English is the language of instruction at Michigan Tech, so you must have a high level of English proficiency to participate in our exchange program. Proof of English language ability is required. Please note that preparatory language courses are not available for exchange students.

Tuition, Fees, and Health Insurance

For the most up-to-date tuition information, please visit our Tuition and Fees webpage:

<http://www.mtu.edu/international/admissions/tuition/>

Applicable fees depend upon the exchange agreement; for most direct exchanges, students pay their tuition to their home institution and pay for student fees and on-campus accommodation to Michigan Tech.

All graduate and international students are required to have health insurance while enrolled at Michigan Tech. However, you are not required to purchase the Michigan Tech health insurance policy if you can provide proof of comparable coverage from your home country.

Accommodations

There are three residence halls available for you: Douglas Houghton Hall, McNair Hall, and Wadsworth Hall. Each of these includes a dining hall, laundry area, exercise room, and other convenient facilities. Each hall also has features unique from the others. Two apartment communities are also available for students ages 21 and older: Daniell Heights and Hillside Place. For more information about all of these accommodation options, please visit the Housing webpage:

<http://www.mtu.edu/admissions/life/housing/>

We highly recommend that you apply for housing as soon as you are admitted. Additionally, for students seeking off-campus housing please refer to our Undergraduate Student Government off-campus housing listings:

<http://usg.mtu.edu/usg/housing/>

Additional Information

Upon acceptance into Michigan Tech, you should fill out a course registration form prior to arrival. This form can be found on the following webpage:

<http://www.mtu.edu/international/admissions/apply/pdfs/coursesheet.pdf>

Please note that while course selections are not guaranteed, the earlier students submit this form the more likely they are to successfully enroll in their preferred courses.

Students can select courses from any department **except** our English as a Second Language program. Please note that a minimum of 75% of coursework must be at the undergraduate level, regardless of the student's level of study at their home institution.
