CURTIN CAREERS, EMPLOYMENT & LEADERSHIP SERVICES FOR CURTIN STUDENTS

Dr Kathleen Franklyn (PhD)
Career Development Consultant - Health Sciences & HDR students

Make tomorrow better.
Designing your career is a process, not something that will happen two weeks after submitting your thesis or completing your higher degree ... so it is important you start thinking about this earlier, and developing your job search strategy.
Support from Careers, Employment & Leadership

- Online Jobs Board and Career Resources
- Workshops and Employer Events
- Drop-in Service, Job Application Reviews & 1:1 Appointments & Mock Interviews
- Online Career Development and Leadership Modules
- Recognition of co-curricular programs – Curtin Extra

Gain Entry level job
Career Resources - Feedback from HDR Students

“I’ve lost my self-confidence about finding a job – thanks for giving energy and being so energetic about our ability”

“I intend to start actively looking for work – thanks for the practical tips and easy approach”

“Currently trying to find a job – thanks for the discussion and exchange of job finding experience”.

“I’m coming to the end of my PhD and had no idea what to do from here or how to do it – thanks for the practical tips”

APR INTERN “I had a successful interview with XXX and they were impressed. They accepted my internship application and we are doing the paperwork to start the job soon. Thanks for your help to get success in this way”.

“I am just following up after the mock interview session I had with you in May for the Graduate industry roles. Following the mock interview, I had an interview with Company A and another with Company B and I’m happy to let you know that I received offers from both companies. Thank you for your feedback during the mock interview and on my resume more broadly. I’m sure it helped me stand out amongst the other candidates interviewed”.
What’s on offer this year

Curtin Careers, Employment & Leadership has a broad range of programs and services available to Curtin students.
Curtin UniHub unihub.curtin.edu.au

Student Jobs Board, Earn While You Learn Information (jobs on campus), Work Experience Insurance, Career Resources, Workshops and Employer Events
A distinctive experience

Curtin Extra offers a range of experiences, allowing you to make the most of your time at university while having some fun along the way. You can design your Curtin Extra in a way that suits you, aligning what you enjoy with opportunities to build the skills and experience you need for your future.

Your participation is officially recognised on your Curtin Extra Certificate, presented upon graduation. For information on how to get involved in Curtin Extra, go to curtin.edu/extra.
NEXT STEP Mentoring 2020

Pairing penultimate and final year students with experienced industry professionals.

Find out more at: bit.ly/curtinnextstep
New for 2019 Curtin Careers, Employment & Leadership are launching ‘Recruit Curtin’, a service that works directly with industry to secure Curtin graduates paid employment upon completion of their studies. Further details will be released in due course, with all opportunities advertised via Curtin UniHub.

Jobs on Campus

**Earn While You Learn** with part-time on-campus employment for current Curtin students. Previous opportunities have included customer service, project assistants, marketing assistant, general administration, graphic design, photography and videography.

CURTIN VOLUNTEERS!

Providing volunteering and leadership opportunities that enhance the student experience and benefit the wider community.

For more information, visit curtin.edu/cv
The Big Idea

bit.ly/thebigideacurtin

- National competition to plan a business that creates positive social outcomes
- Fantastic training opportunities
- Learn from industry leaders
- Great prizes
- Curtin Extra recognised
- You don’t need an idea to apply...just passion for positive change!
- Find out more and apply at bit.ly/thebigideacurtin
HDR EXTERNAL OPPORTUNITY

With less than 40% of PhD graduates securing employment in academia, graduates need to be equipped with the skills to give them a competitive advantage when seeking jobs in industry and government.

iPREP WA is helping PhD graduates to recognise that skills they developed in the PhD, such as problem-solving and critical thinking skills, are applicable across a range of disciplines, providing them with the confidence and experience to apply for jobs outside of academia.
APR INTERN

RESEARCH FOR IMPACT
• Turn your PhD theory into practice
