## Program Offer for Exchange Students

On its campus in Vallendar, WHU offers a Bachelor in International Business Administration for undergraduate exchange students and since Fall 2017, a Master in Entrepreneurship in addition to the Master in Management and Master in Finance programs for graduate exchange students.

On its campus in Düsseldorf, WHU graduate exchange students fulfilling the MBA admission requirements can choose classes from the Full-time and Part-time MBA Program. For more information on these programs such as academic calendar etc. see “WHU Campus Düsseldorf MBA Fact Sheet”.

Due to the different campus locations and program structures, graduate exchange students can no longer mix MSc and MBA courses.

## Course Catalog

[www.whu.edu/courseguide](http://www.whu.edu/courseguide)

## Language of Instruction

Two undergraduate tracks are offered: either with 80% or 100% of the courses in English. The graduate programs are taught completely in English.

## Language Requirements

BSc and MSc exchange students do not need to prove their proficiency in English as we trust the selection process of our partner universities. However, a high level of English proficiency is required as the majority of the courses are taught and examined in English. We therefore strongly recommend that exchange students have English language skills equivalent to an internet based TOEFL score of at least 95.

## Academic Information

Class format: Lectures, seminars and exercises  
Class size: 30 to 40 students  
Examination types: Exams, papers, cases, presentations and participation  
Attendance: Mandatory  
Workload: 5 to 7 courses per term for all programs  
Transfer of Credits: Undergraduate courses are worth 4,5 ECTS credits and Graduate courses are worth 5 ECTS credits

## German Language Course

WHU offers intensive German courses throughout the semester. Exchange students have the opportunity to participate in one of the 4 levels offered, from beginners to advanced. The course is worth 5 ECTS credits and tuition-free for exchange students.

Nomination Procedure

The home university nominates their student(s) via email including the following information:

- First name and family name of the student
- Student’s gender
- Student’s nationality (for visa purposes)
- Term(s)
- Study program (BSc, MSc)*
- Student’s email address

* Due to the different campus locations and program structures, graduate exchange students can no longer mix MSc and MBA courses.

From now on, the partner university should indicate for each nominee upon nomination whether this graduate student is applying for our MSc Exchange Program on our Vallendar campus or our MBA Exchange Program on our Düsseldorf Campus (if eligible; see our WHU Campus Düsseldorf MBA Fact Sheet).

### Application Process

After the home university has emailed the nomination to the respective exchange coordinator at WHU, the nominated student(s) will receive instructions for the online application procedure via email.

Shortly after the application deadline, we will process the complete online applications and send an acceptance package including the letter of acceptance for each student to the international office at the home university.

### Housing

https://www.whu.edu/housing

The application for housing is done within the online application. After processing the application, the housing office will contact the students directly. Housing is distributed on a first-come, first-served basis. Exchange students will be given support to find their apartment before arrival, either by maps, detailed descriptions on how to find the apartment or by a WHU student buddy. **Expected date of arrival:** the day before our mandatory orientation.

**Contact persons:**
Philomena Richartz and Sabine Neuer (housing@whu.edu)
Phone: +49 261 6509-590/ -591

### Visa and Residence Permit

https://www.whu.edu/en/international-diversity/exchange-programs/pre-departure-arrival-at-whu/

Depending on their nationality, students might need a visa and/or residence permit to study in Germany. While we assist students in applying for their residence permit during orientation, it is the student’s own responsibility to take care of visa matters as early as possible, ideally at least 2 months prior to departure.

Students should contact the German Consulate of their home country (or country of residence) to find out if they need a student visa prior to entering Germany/Europe for study purposes.
Health Insurance

https://www.whu.edu/en/international-diversity/exchange-programs/pre-departure-arrival-at-whu/

All exchange students have to provide proof of health insurance upon their arrival at WHU. It has to cover the following aspects to be acknowledged by the German authorities:

- Period of time: coverage of the entire stay in Germany
- Region: Germany must be covered
- Emergencies must be covered
- All medical expenses must be covered

Health insurance with full coverage for sickness, emergencies and all medical expenses is absolutely mandatory for all exchange students in Germany. Students can contact the International Relations Office at WHU in advance to check if their health insurance is sufficient.

Cost of Living

https://www.whu.edu/en/international-diversity/exchange-programs/pre-departure-arrival-at-whu/

A student’s cost of living will be approximately 1200 € per month, depending on their free time activities (e.g. travelling, eating out, using sports facilities, visiting concerts and clubs).

- Accommodation: between 530 € and 600 €
- Mobile Phone: 30 €
- Food: 150 €
- Laundry: 20 €
- Local transportation: 85 € (monthly bus ticket)
- Health Insurance: between 40 and 80 €
- Miscellaneous (leisure activities): 300 €
