| Other information | **Korean Language Courses**  
For those who want to take courses in the Korean Language Program, aside from the regular curriculum, SNU offer partial reimbursement for the tuition fee. (If students are with Korean-related major, the entire fee is waived.)  

**SNU Buddy Program**  
SNU Buddy was established to help international exchange and visiting students to build a real friendship by multilateral ways of communication. Students will do all the fun, student-oriented activities together with SNU domestic students during their whole stay. Sign-up notice will be sent before the semester starts.  

**International Summer Institute (ISI)**  
SNU ISI presents a unique opportunity for students to experience academic life at Seoul National University, Korea's most prestigious university and one of the leading universities in the world. During the five-week program, students will learn, experience, and enjoy an unforgettable summer of academics, activities, and long-lasting friendships. Courses range from Korean and International Studies to Engineering, taught by SNU full-time faculty, and detailed information can be found from the official website.
