2021 International Year for the Elimination of Child Labour

In declaring 2021 the International Year for the Elimination of Child Labour, the UN is taking immediate measures to eradicate forced labour, modern slavery and human trafficking. It calls for the prioritisation and elimination of the worst forms of child labour, including recruitment and use of child soldiers, and end child labour in all its forms by 2025.

This is one of four UN themes for 2021. Visit un.org for more.
